TRANSMITTAL OF REPLACEMENT DRAWINGS

Dear Sir:

In response to the *Notice to File Corrected Application Papers – Notice of Allowance Mailed*, mailed on August 22, 2007, Applicants are enclosing herewith the following for filing in the above-referenced U.S. patent application:

- Replacement Fig. 2
- Replacement Fig. 3

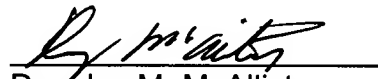

REMARKS

Replacement Figure 2 and Replacement Figure 3 are herewith submitted in accordance with the Notice to File Corrected Application Papers (Notice of Allowance Mailed) dated August 22, 2007. Under the "Identification of Drawing Deficiencies" attached to the Notice to File Corrected Application Papers, the application was found to be incomplete due to date stamps obscuring part of Figures 2 and 3. Amendments have not been made to the drawings, and no new matter has been added.

Having now complied with all of the requirements of 37 C.F.R. Section 1.84 and 1.121, Applicants respectfully request that the enclosed replacement drawings be entered in the above-referenced patent application.

If further corrections are required, please advise the undersigned attorney.

Respectfully submitted,

Douglas M. McAllister
Attorney for Applicant(s)
